# B-READY

## The convertible pushchair that grows with your family.

Life changes. Children develop. Families grow. At Britax we believe your pushchair should be able to grow with you. That's why we designed the convertible, adaptable B-READY. A fully functional all-in-one pushchair capable of taking a newborn through to pre-school. With the ability to seamlessly convert into a streamlined, feature-packed tandem pushchair for siblings. And if life serves up a helping of twins? No problem – the B-READY is ready for anything – even a pair of newborns in matching carrycots.

# ADVANSAFIX II SICT

## FEATURES

- 1 Harness protection for longer – 5-point harness until 25 kg
- 2 Optimal lap belt positioning – with our latest technology SecureGuard (patent pending) when using the 3-point seat belt
- 3 Side impact protection – deep, softly padded side wings and SICT technology, removable to use only on the side closest to the door
- 4 Ultimate installation for all ages – ISOFIT+ with V-Tether and 3-point seat belt
- 5 Smooth comfort – multi-position recline for all ages
- 6 Easy adjustment – height adjustable headrest, harness with one-handed adjustment
- 7 Practicality in mind – quick-remove cover, no need to remove harness

## Installation options

ISOFIT+ (direct connection to ISOFIX and V-Tether anchorage points) and 3-point seat belt

## Installation indicators / guides

Indicators confirm the ISOFIX hooks are engaged  
Indicator confirms the V-Tether has been correctly installed  
The SecureGuard helps to ensure that the adult lap belt remains in the optimal position over the pelvic bones  
Seat belt guides correctly position the 3-point seat belt over the child's shoulder and pelvis

## Impact protection

Deep softly padded side wings  
Pivot Link System to reduce forward movement  
Performance chest pads to reduce forward movement  
Flexible Side Impact Protection (SICT)

## Harness

9 – 25 kg, 5-point harness  
15 – 36 kg, 3-point seat belt and SecureGuard

## Seat

Height-adjustable headrest and harness with easy one-handed adjustment  
Multi-position recline

## Direction of travel

Forward facing

## WHY BUY?

For its unique combination of advanced safety features and extended harnessing

## PRODUCT SPECIFICATIONS
